DIRECT SERVICE

The mission of the Commonwealth Corps service internship program is to engage Massachusetts residents of all ages and backgrounds in direct service to strengthen communities, address critical needs, and increase volunteerism.

CAPACITY BUILDING

In addition to providing direct service, Corps members build capacity, and recruit, organize, and mobilize additional volunteers, thus creating a grassroots movement of volunteers dedicated to service and volunteerism.

WHAT WE DO

The Commonwealth Corps is a state-funded service internship program that places full- and half-time members at nonprofits across the Commonwealth in the areas of education, workforce development, health and nutrition, and youth development and violence prevention.

WHAT YOU DO

Corps members serve for 10.5 months from mid-August through June. The program has a dual focus on members' positive impact on their organizations and communities, and on members' own growth and professional development.

WHAT YOU GET

Corps members receive a modest living stipend, monetary completion award, health insurance (full-time members only), member assistance program, professional development and training sessions, the opportunity to join with others in a common sense of purpose, and more!

The mission of the Commonwealth Corps service internship program is to engage Massachusetts residents of all ages and backgrounds in direct service to strengthen communities, address critical community needs, and increase volunteerism. By taking on a year of service, you can positively impact your community while gaining skills and experience.

The Massachusetts Service Alliance (MSA) is a private, nonprofit agency that oversees the program and supports 17 host site partners and 43 members to find success throughout the program year. The two Commonwealth Corps members with Central Berkshire Habitat for Humanity will serve 10.5 months in a full-time capacity. They will join a corps of members across Massachusetts who share a common desire to put their talents and ideas to use in the service of their communities and the Commonwealth.

Central Berkshire Habitat for Humanity’s (CBHFH) Neighborhood Revitalization team is engaged in multiple community-based projects and initiatives aimed at improving the quality of life of residents in the historically disadvantaged areas of Pittsfield, the Westside and Morningside neighborhoods. Commonwealth Corps members will add to our collective capacity to strategically engage community residents in discussions about obstacles to economic opportunity and connect residents to job search and workforce development programs. The Commonwealth Corps Community Outreach Coordinators (COC) will be a connecting resource between residents and nonprofit agencies, assisting our staff and coalition partners with the development and improvement of existing programming, as well as recruitment and outreach to improve the upward economic mobility of community residents. COCs will receive extensive training in community engagement and planning, training facilitation, and more from the Neighborhood Revitalization Director, who is an experienced community organizer.

Responsibilities:

**Essential**

- Complete a minimum of 1,500 hours of service from August 17, 2020 through June 26, 2021.
- Attend all required Commonwealth Corps trainings and service events held by the MSA (minimum of 6 total, post orientation) and CBHFH, including a new member orientation on August 17 & 18, 2020.
- Participate in a minimum of 1 hour of MSA-approved professional development-related activities each week (in person or virtually).
- Assist CBHFH in the creation and distribution of fliers that speak to the community. COC’s will be in the neighborhoods making direct contact with individuals and bringing new programming releases to the community.
- Assist CBHFH in the recruitment of community residents to enroll in available job training programs and support residents in completion and retention of workforce placements.
- Engage residents in preparation workforce opportunities i.e. interviewing, online job applications, workforce etiquette, and post-employment support.
- Help mobilize residents as change agents for their community by co-facilitating Getting Ahead Workshops and the Leadership Academy, in partnership with CBHFH staff and fellow COC.
- Recruit and support resident volunteers to become involved in neighborhood planning and supporting some of the community projects that will emerge, such as the community food incubator project.
- Help identify and build relationships with community leaders through the creation of a community engagement plan, with support from the Neighborhood Revitalization Director.
• Attend and participate in three community meetings a month where you would encourage resident attendance, bring lived resident experience perspective to the meeting, and share firsthand accounts of what is happening on the ground in real time. Once trained, you may co-lead some meetings.

• Test SMARTSHEET by using it as the data collection system during community outreach exchanges that allows for improved strategic deployment of programming.

Marginal

• Connect community residents to available housing, childcare, health and safety resources
