### POSITION

**Help strengthen your community through a term of service with the Central Berkshire Habitat Build & Repair Corps!**

**AmeriCorps** is a network of national service programs that each take a different approach to improving lives and fostering civic engagement. Central Berkshire Habitat for Humanity is looking for members ready to commit their time to addressing critical community needs, to build their professional skills, and to be a leader in their neighborhoods.

Central Berkshire Habitat for Humanity is an independent affiliate of Habitat for Humanity International, a global nonprofit housing organization working in nearly 2100 communities across the United States and in 70 countries around the world. Habitat welcomes people from all walks of life to partner in serving and creating a better community for everyone who lives here. Founded in 1992, Central Berkshire Habitat for Humanity has been providing homeownership opportunities for more than 25 years. We serve Central and Southern Berkshire County, MA.

**Our vision is a world where everyone has a decent place to live.**

As a Construction Crew Member you will play a vital role in building and repairing homes on a local level. AmeriCorps members will learn and perform construction tasks on new and rehab homes; demolition, site prep, framing, roofing, siding, insulation, drywall, flooring, finish carpentry, and landscaping. Members will attend site safety trainings and collaborate with staff to maintain a safe and efficient work environment. Members will lead groups of skilled and unskilled volunteers and partner families in construction activities and provide on-site safety orientations. No previous experience in construction required.

**Responsibilities:**

- Actively assist staff, volunteers, and homeowners to build, rehabilitate, or repair homes.
- Offer guidance and leadership to volunteers partnering with Habitat on the construction site and community projects.
- Assist with hands-on construction tasks including but not limited to:
  - Demolition      ○ Flooring
  - Site prep        ○ Roofing
  - Framing         ○ Finish carpentry
  - Insulation      ○ Cabinetry
  - Drywall         ○ Landscaping
- Maintain site safety through modeling of safety practices and guidelines. Attend safety trainings with construction staff.
- Provide on-site orientation and safety training to volunteers and partner families.
- Help with materials management on site and at affiliate storage locations.

- Set up and cleanup project sites.
- Participate in planning, debriefing, and safety meetings as needed.
- On occasion, members may participate in larger community projects such as lot cleanups, community gardens, etc.
- Attend required meetings, trainings and events:
  - On site and affiliate orientation
  - OSHA 30 safety licensing
  - First Aid / CPR
  - Lockton Safety courses
  - Buildin' it sessions
  - Getting Ahead skill building course
  - Financial Tools class
  - MLK National Day of Service
  - Evaluations with Direct Supervisors and Host Site Manager
  - Staff meetings, Construction Committee meetings, and home dedications as appropriate
  - Professional Development trainings & host site events as needed
