

Women Build 2021

in partnership with Lowe's

Until our volunteers are able to swing their hammers again, you are invited to

help us eliminate barriers and raise awareness and dollars for the people whose lives you are changing.

We invite all new and former **Women Build** participants and friends of Habitat to reach out to their families and friends and join us in raising funds for the **Women Build 2021** houses.

Our goal is to raise \$10,000 to sponsor these houses.

We Can Raise It, Together!

Commit to fundraising for Women Build 2021 today!

\$10 = 1 Box of Nails	Qu. _____	\$ _____
